

Reorganization of Scotia DBG Branches

Effective February 26, 2010 the Scotia DBG May Pen and Ocho Rios Branches will be closed and the Savanna-la-Mar branch will be reorganized as a sub-branch of our Mandeville office. This branch rationalization exercise is a result of a careful assessment of the overall efficiency of Scotia DBG.

Our clients that would normally be serviced by these branches, can visit Scotia DBG Investment Advisors located at the closest Scotiabank branch. In addition, Scotia DBG clients can continue to be serviced through the remaining SDBG branch network in other key locations across Scotiabank Group.

We would like to take this opportunity to express our appreciation to all our clients. We strongly believe that as a continued client our relationship will be even better in the future as we deliver new thinking to meet your investment and wealth management needs. Thank you for your business and we look forward to deepening our relationship with you as we enter this phase of serving your financial needs.

For more information please call 1-888-CALL-DBG or email us at info@scotiadbg.com.
